To whom it may concern:

Please receive this letter as a recommendation for Cox Moving Company. The University of South Carolina Upstate and the University of South Carolina Upstate Foundation have had a longstanding relationship with Cox Moving. We have had a very positive experience with them as they have moved and demolished numerous houses around the border of our campus.

They are a very professional and competent company. They know their business and are very good to deal with from a business standpoint. Cox is very responsive in their dealings and they do what they say they are going to do. We have had no problems with them whatsoever.

Please do not hesitate to call me if I can be of further assistance.

Sincerely,

A handwritten signature in cursive script that reads "John F. Perry".
